Does not represent all referrals because risk level is often not determined for unfounded reports.

	Safe 	Safe With Plan 	Unsafe 
 <b>Low/ Moderate Risk</b>	<i>Do we need to be involved at all?</i>	<i>Is the plan working?</i>	<i>Is a quick return home possible?</i>
 <b>High/ Very High Risk</b>	<i>What preventive actions can we take?</i>	<i>We need to see the plan working longer</i>	<i>Create sustainable safety before return home</i>
