California WebSDM Training Application
The URL is https://ca-training.sdmdata.org/

Select your county from the dropdown menu.

There are three sets of accounts for each county, the login names are:

- student1 – student25
- supervisor1 – supervisor25
- instructor1, instructor2

The password for all accounts is "training."

Please use the supervisor accounts if you prefer to train with accounts that have approval rights. You may also use a supervisor account if you need to demonstrate the approval process.
