QUARTERLY STATEWIDE SDM[®] TRAINER ENGAGEMENTS

WHAT: Drop-in support for child welfare trainers and coaches supporting the use of the Structured Decision Making[®] (SDM) system across California.

Join us for a 90-minute virtual meeting discussing ongoing training issues, challenges, and best practice tips related to training or coaching SDM[®] tools. The purpose of these sessions is to offer direct, drop-in support to all trainers and coaches supporting SDM system training across California.

You'll have an opportunity to talk with your peers in different counties about what works well, discuss common training challenges, and ask Evident Change staff for support or resources.
